

FOR IMMEDIATE RELEASE**Announcing the 2021 Training Industry Top Training Companies Lists: Learning Management System (LMS)**

RALEIGH, N.C. — Sept. 16, 2021 — Training Industry today announced its selections for the 2021 Top Training Companies™ lists for the learning management system (LMS) sector of the learning and development (L&D) market. Training Industry, the leading research and information resource for corporate learning leaders, prepares the Training Industry Top 20 report on critical sectors of the corporate training marketplace to better inform professionals about the best and most innovative providers of training services and technologies.

[View](#) the 2021 Top Learning Management System (LMS) Companies

Selection to the 2021 Training Industry Top 20™ Learning Management System (LMS) Companies List was based on the following criteria:

- Quality of features and capabilities.
- Industry visibility, innovation and impact.
- Strength of clients and geographic reach.
- Company size and growth potential.

“This year’s Top 20 Learning Management System (LMS) Companies are continuously advancing the learning technologies market through innovative and learner-focused capabilities such as on-demand content, user personalization and automated administrative features,” said Danielle Draewell, market research analyst at Training Industry, Inc. “These companies set themselves apart with cutting-edge reporting and analytics, providing insights into learner behavior and training effectiveness.”

“The companies on this year’s Learning Management System (LMS) Watch List offer unique and specialized learning experiences,” said Jessica Schue, market research associate at Training Industry, Inc. “With features such as personalization, gamification and social learning capabilities, these companies push the boundaries of expertise to deliver effective training that improves learner retention.”
